

Static Delivery Guides

- *Maximize productivity*
- *Exceptional reliability*
- *Reduce operating costs*

More Than Spares & Guides...

Morgan Guaranteed Parts™ and Service help achieve Morgan's Standard of Success

- Yield: 96% - 97%
- Utilization: 80% - 90%
- Rejections: Maximum of 1%
- Cobble rates: Maximum of 0.4%

Finished Product Quality

- Delivery guides designed to closely contour finished product for optimum guiding
- Precisely manufactured bore minimizes scratches and defects in the finished product
- 'X'-clamp mounting system optimizes mounting accuracy for excellent finished product quality

Productivity

- Provides longest operational service life at highest rolling speeds
- Precisely manufactured nose end gives smooth entry of rolled product, minimizing cobbles
- Quick and simple mounting with no exposed threads by means of 'X'-clamp, 'T'-bolt and barrel nut

Reliability

- Investment cast stainless steel guide halves resist wear, pick-up and corrosion
- Spring clip facilitates controlled cobble breakout, minimizing damage to surrounding equipment
- High strength stainless bracket facilitates positive location of guide halves
